Arugot Organic Cosmetics

About

Our business is founded on the commitment to honoring nature. Plants and herbs thrive when grown naturally and organically. So, too, our bodies thrive when nourished with pure, organic products. Our main focus at Arugot is to provide the highest grade, pure, organic products. We believe in sustainability and environmental sensitivity. Our lifestyle, as a family and the way we run Arugot both reflect our values. We aim to improve and bolster health and enhance the way our body feels through a variety of organic natural body care and skincare products.

Anti-aging Facial Care

Wild Rose Anti-Aging Cleanser

Our Wild Rose Cleanser is enriched with flower extracts and essential oils for a gentle yet deep facial cleanse. Removes excess oils and daily impurities, leaving your skin vibrant, glowing and clear. Can be used for makeup removal.

Goji Berry Beauty Mask

Our beauty mask contains white clay that gently exfoliates the upper skin layer. We've enriched the mask with shea butter and herbal extracts for deep nourishment. We've added a complex of powerful antioxidants to remove wrinkles, resulting in a bright and even skin.

Snowdrops Anti-aging Day Cream

Flower extracts and herbal plants for healthy looking skin, and complex vitamins to keep your skin fresh and vibrant. Summer snowflake extract reduces the appearance of wrinkles in a fast and natural way.

Our day cream also contains teff seeds extract rich in natural minerals and amino acids peptide.

Get your daily colgan boost in a natural and effective way every day.

Snowdrops Anti-aging Night Cream

Flower extracts and herbal plants for healthy looking skin. Revitalizing night cream with high concentrated ingredients for a deep and effective overnight treatment, and complex vitamins to keep your skin fresh and vibrant.

Our night cream also contains teff seeds extract rich in natural minerals and amino acids peptide.

Get your daily colgan boost in a natural and effective way every day.

Clover Anti-aging Eye Cream

We've developed a unique, gentle, and nourishing formula for natural lifting and elimination of puffiness and dark circles around the eyes.

Using clover in order to renew and nourish the gentle skin around the eyes, rose and chamomile extracts for wrinkle treatment, shea butter and jojoba oil to revitalize and provide deep nourishment, antioxidants as a firming vitamin complex for instant balance and vitality.

Hydro Hyaluronic Serum

Hyaluronic acid is a key component of this skin care bringing many benefits to repair and protect the skin, hyaluronic acid absorbs into the deeper layers of the skin and rejuvenates collagen. The serum contains nutrients and moisturizes, to fill and complete skin and tone complexion.

The serum is enriched with vitamin E to increase renewal and vitamin K to provide a fuller and healthy looking skin.

Completely vegan and organic, specially designed for skin imperfections such as pigmentation, rosacea, acne, blemishes or skin unevenness.

Suitable for all skin types.

For Oily to Normal Facial Care

Sage Balancing Day Cream:

Organic Sage Day Cream nourishes and revives your skin, with a gentle soothing jasmine fragrance. Enriched with sage and geranium flower extracts, organic shea butter for deep nourishment, and a vitamin complex for balanced, vital skin.

Apply it in the morning and it gets well absorbed and keeps your skin moisturized and smooth throughout the day.

Natural SPF 15 to protect from wrinkles, pigmentation, and sunspots.

Jasmine Facial Cleanser

In order to create a gentle yet thorough cleanser for all skin types, we combined flower and aromatic extracts, herbal infusions, and oils that are cleansing, nourishing, and do not dry the skin. The result is a balancing facial cleanser that leaves your skin silky-smooth, vibrant, and smelling terrific.

Deep Cleansing Clay Mask

Our Deep Cleansing Clay Mask is one of our flagship products.

Cosmeticians use it for natural facials. Now you can treat yourself to a facial at home!

Green clay is a potent mineral that absorbs toxins from the skin and cleanses the pores.

We've enriched our mask with kelp, known for brightening the skin by cleaning sunspots and pigmentations.

We've also added organic hempseed oil, for smooth skin.

Our mask will nourish your skin with minerals, vitamins, and antioxidants, resulting in an especially glowing and smooth skin.

You can also use the mask locally for spots or pimples.

Skin Brightening Vitamin C Serum

This organic formula of extracts and essential oils is concentrated and highly effective. In addition to vitamin C, the skin needs enzymes, active vitamin K and photosensitive plant extracts in order to produce visible results.

Our organic blend consists of active citrus extracts, cold-pressed pomegranate and citron oils, vitamin and mineral complexes, natural vitamin K, and aromatic essential oils for brightening, firming, and strengthening the skin.

For best results, it is important to apply the serum on the entire face for at least one month, two to three times a week. The result is a balanced, evenly radiant, and brighter skin.

Brightening Set

Our brightening set is one of the best and most effective treatments, the kind that will show you results.

Goji Berry Beauty mask contains white clay that gently exfoliates the upper skin layer. We've enriched the mask with shea butter and herbal extracts for deep nourishment. We've added a complex of powerful antioxidants to remove wrinkles, resulting in a bright and even skin.

Brightening Vitamin C Serum - This organic formula of extracts and essential oils is concentrated and highly effective. In addition to vitamin C, the skin needs enzymes, active vitamin K and photosensitive plant extracts in order to produce visible results.

Face Sunscreen - will give you broad-spectrum sun protection to prevent premature aging caused by UVA/UVB exposure. It is easily absorbed, leaving no residue, nourishes and protects the skin, and has a gentle and refreshing rose scent.

The Body Series

Organic Body Butter
