**Remarks**

1. The laboratory operates under established working procedures which correlate to the International Standard ISO/IEC 17025 in those disciplines where accreditation has been granted, as detailed for each site in the scope of the Certificate of Accreditation.
2. The microbiological tests are within the recognized framework of the Ministry of Health as published in the registrations for each site.
3. The results relate only to the tested sample.
4. This document should be referred to in its entirety and no part may be copied to other documents.
5. Sampling was carried out by the customer and under his sole responsibility, unless otherwise noted.
6. The Israel Laboratory Accreditation Authority is not responsible for any of the lab results and the fact of its accreditation does not comprise approval of the Authority or of any other body for the tested product.
7. The valid results are those of the most updated report.
8. The interpretation (of the results) is not accredited by the Israeli Laboratory Accreditation Authority.
9. Tests are performed at the receiving site, unless otherwise noted.
