And more...

Carry Handle Tape - Product Range

CUSTOM-MADE Solution for YOUR Need!

- ❖ MOPP handle - classic solution
- ❖ PE handle - adjusted to Circular Economy EU regulations (recycled together with PE shrink)
- ❖ PET handle for PET bottles or pre-shrink application
- ❖ rPET handle with 90% recycled material
- ❖ Paper handles

➤ Automatic or detachable!

Bundle tape

Carry Handle Tape - detachable

- ❖ Custom-made design with YOUR logo or any marketing message
- ❖ Applicable for wide range of packages
- ❖ Substitutes plastic bag in many cases
- ❖ Easy handling of big and awkward packs

Resealable Finger Lift tape

- ✓ Customer's satisfaction through multi-time resealing
- ✓ Finger lift allows convenient opening and closing of the tape
- ✓ Highly flexible use for tissues, food packages, cigarettes, etc
- ✓ Hygienic and toxin-free
- ✓ No damage to the packaging

- ✓ Can be adapted to various substrates like: PE, PP, PET or other flexible packaging material.
- ✓ Can be fully customized according to requirements: color, design, width of adhesive and non-adhesive zones.
- ✓ UV-resistant.
- ✓ Solvent free.

Multipack Bundle Tape

Davik Bundle tape is made from BOPP film coated with special adhesive formula, specially designed for bundling consumer products into multipacks.

Bundle Tape advantages:

- ☐ Holds firmly the pack.
- ☐ Easy to remove without damaging the product pack and/or label graphics.
- ☐ Sustainable: alternative to shrink films, banding, boxes or bags, thus reducing plastic consumption and waste.
- ☐ Can be custom printed with a logo or any marketing message for eye-catching display.
- ☐ Can be perfectly accompanied with carry handle tape, making the pack even more convenient, sustainable and providing it an innovative look.
- ☐ Suitable for automatic application.

Catchy Pest Control

The all in one pest control & monitoring system for greenhouse, indoor and net house farming.

- ❑ Easy to use and set up
- ❑ A relatively thick sheet, allowing for long-lasting use without creating distortion of the product.
- ❑ Glue already applied, no need for brushing on sticky adhesives, Sticky on both sides

- ❑ Monitors and controls flying stages of specific pests
- ❑ Allows early detection of initial infestations
- ❑ Reduces insecticide spraying
- ❑ Reduces insecticide residues
- ❑ IPM compatible
- ❑ Highly effective trapping even in dusty conditions
- ❑ Efficacious once set up for at least 6 months

3 Types of CATCHY:

YELLOW

BLUE

BLACK

For capturing different pests

UNDO Whiteboard sticker

The Best Part of UNDO:

- ✓ Easy to Apply
- ✓ No Glue-Residue or Damage After Removal
- ✓ PVC-Free
- ✓ Sticks to Any Smooth Surface
- ✓ Boosts Productivity
- ✓ Encourages Creativity in Children
- ✓ Fraction of the Cost of Traditional White Boards

How Will You Use Your UNDO?

- Create a Creativity Wall for Your Kids
- Teach Online Classes With Ease
- Encourage Team Work Online or in Person
- Add to your Kitchen for Daily Meal Planning
- Add to your office to keep track of your To-Do Lists
- Create a Creative Space for At-Home Learning
- Keep your Projects Organized and On Schedule

Printed tapes for any event
